Major General Robert F. Durkin, USAF

Dear General Durkin,

STAT

With the concurrence of the Deputy Director of Central Intelligence, I am pleased to honor your request of 23 November 1988 for DMA representation on the DCI's Intelligence Information Handling Committee. Inasmuch as Director of Central Intelligence Directive 3/14 restricts Committee membership to Intelligence Community agencies, DMA will be accorded permanent observer status. However, this distinction will not significantly affect the nature and scope of DMA's participation in Committee activities.

Dr. Krygiel will be most welcome at the next Committee meeting on 27 January 1989.

Chairman
